

IDevice

```
classDiagram
    class IDevice
    class Device["myMD.Model.TransmissionModel.Device"]
    Device --|> IDevice
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'IDevice'. Below it is a larger, gray rectangular box labeled 'myMD.Model.TransmissionModel.Device'. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that the gray box inherits from the white box.

myMD.Model.TransmissionModel.
